

Dispatcher/Call Taker Training of CIT Trainers

This one-day course is free of charge and will provide the trainer with the tools, materials and knowledge they need to hold a CIT companion course for dispatchers and call-takers.

The goal of this course is to increase the number of CIT communities in Ohio who are providing specialized training to dispatchers and call-takers.

December 4, 2018 8:00 AM — 5:00 PM

Northeast Ohio Medical University—Meshel Hall

4209 St. Rt. 44

Rootstown, Ohio 44272

Breakfast will be provided by the Association of Public Safety Communications Officials.

Lunch will be on your own—cafeterias are available on-site.

Space is limited and preference will be given to communities that are currently not providing a CIT companion course for dispatchers and call-takers. We strongly encourage CIT trained law enforcement who are actively engaged in their local CIT training to attend as well as CIT Coordinators.

For interested parties please contact hdurig@neomed.edu with the below information:

1. Name
2. County and/or Jurisdiction
3. Position
4. Role in CIT Program
5. Contact Information

This course is funded by the Ohio Department of Mental Health and Addiction Services

The Ohio Chapter of the Association of Public Safety Communications Officials
