

## QUARTERLY SIEC MEETING FOLLOWED BY A “RADIO RODEO”

Date: Wednesday, October 31, 2018 **(PLEASE NOTE THE DATE CHANGE)**

Time: SIEC meeting from 10-11:30 followed by the vendor displays

Where: Ohio Fire Marshal’s Facility  
8895 East Main Street, Reynoldsburg, Ohio 43068

Join us for the final SIEC meeting of 2018 at Fire Marshal Hussey’s facilities. Marshal Hussey will dispense information about the Fire Marshal grant. In conjunction with his information, there will be displays and demonstrations from all the major P25 radio manufacturers.

If you aren’t applying for the Fire Marshal grant, we also understand many agencies are budgeting for the 2019 fiscal year. Use this opportunity to get competitive pricing with a radio meeting all your specifications.

Vendors will display their radios as well as accessories. Be prepared for demonstrations, take your time and browse. They have promised to remain until everyone has had time to interact, ask questions, and leave with valuable information.
