February 2019

APCO 2019 Broadband Summit

APCO's 2019 Public Safety Broadband Summit will be held May 21-22 in Arlington, Virginia. The Broadband Summit is the premier annual, DC-based opportunity to discuss the latest technology advancements impacting public safety communications networks.

Visit <https://broadbandsummit.apcointl.org/> to learn more.

Public Safety Communications Leadership in Policy Awards Dinner

APCO International will host its 15th Annual Public Safety Communications Leadership in Policy Awards Dinner on May 21, 2019, in Arlington, VA.

Learn more at <https://leadersdinner.apcointl.org/>.

APCO Institute Schedule and Upcoming APCO Institute Courses

The APCO Institute offers a variety of certification and CDE courses online and at agencies around the country. All are taught by the Institute's adjunct instructor corps, who bring a wealth of real-world experience to the classroom. See what [live courses](#) are coming to your area. Or, view the upcoming [online course](#) listing. For more information, [contact](#) the Institute.

Manage Your Training Records Online

All your training information, all in one place, and accessible 24/7!

Register for courses, track your training and recertify online using [APCO's Training Central](#).

Scholarship Applications Now Being Accepted

If your career advancement plan includes APCO Institute training, attending [APCO 2019](#) or participating in other APCO events, you could receive financial assistance from an APCO scholarship. The application **deadline is March 31** for general scholarships. [For more information](#)

APCO Awards Committee

APCO International is honored to recognize the outstanding work performed everyday by our Public Safety Communications workers. Now is the time to take a moment to nominate your co-workers and teams so we can properly recognize them. This has been another wild year that has included life changing events to our communities and our colleagues. Please take the time to recognize that awesome trainer, supervisor, telecommunicator, or your support technicians who ensure our computers are running and radios work throughout the night. We need to hear your stories so we can honor some of the best in our industry.

Nominations for the awards program are accepted January 1, 2019 to March 31, 2019 (closes at 2359 Eastern Time) with all nominations needing to be submitted online. Nominees do not have to be members of APCO and the Nominator also does not have to be a member of APCO.

PSAP Award Categories:

Telecommunicator of the Year
Line Supervisor of the Year
Information Technologist of the Year
Team of the Year

Communications Center Director of the Year
Radio Frequency (RF) Technologist of the Year
Trainer of the Year

Award recipients will receive a VIP trip to the 2019 APCO Annual Conference & Expo in Baltimore, MD. The VIP treatment will include travel expenses, hotel accommodations and conference registration. During the conference, recipients will be recognized on stage in front of their peers from around the nation. They will also be featured in a press release and in an article in APCO's *Public Safety Communications* magazine announcing the winners.

Nominations for the **Technology Leadership Award** are also being accepted for both the Large Agency (76+ Employees) and Small Agency (1-75 Employees) categories. This award is intended to recognize an emergency communications center's use of technological advancement to increase operational efficiency and provide a higher level of service to the customers it serves. Nominations should detail the positive impact of the implemented technology as well as any modifications to policies and procedures. Examples of projects include but are not limited to computer aided dispatch (CAD), radio systems, 9-1-1 answering equipment, public safety IT, broadband, electronic crime reporting, mapping, GPS, etc. The Award Recipients for the Technology Leadership Award shall receive a complimentary "day-pass" registration to APCO 2019 for the day of the award ceremony. A representative from the winning PSAP(s) will be recognized at the annual conference, in *Public Safety Communications* and on the Web site. Visit www.apcointl.org/awards for more information on award categories and to submit someone or an agency.

APCO “Teammates in Action”

To view those who have been recognized or nominate someone: [Teammates In Action](#)

In our profession, we often see examples of dedicated professionals going above and beyond the call of duty and the ProCHRT committee wants to recognize these teammates on a national level. This program allows anyone to nominate a teammate and tell us about how they went into action. Overlooked far too often are the heroic actions taken daily by telecommunicators. This program hopes to bring these to light and give everyone a chance to recognize these daily actions.

Commercial Members Corner

Partnering with APCO has its benefits.

APCO International's Corporate Partner Program increases corporate visibility and provides networking opportunities for companies in the public safety industry.

Through the program, companies are given exclusive benefits and recognition that are commensurate with their annual level of participation.

The Corporate Partner levels are Bronze, Silver, Gold and Platinum and can be tailored to fit budgets and specific marketing goals.

To qualify, partners must commit to participate in three or more association projects and/or activities.

2019 National Public Telecommunicator Week

Every year during the second week of April, the telecommunications personnel in the public safety community are honored. This week-long event, [initially set up in 1981 by Patricia Anderson of the Contra Costa County Sheriff's Office in California](#), is a time to celebrate and thank those who dedicate their lives to serving the public. It is a week that should be set aside so everyone can be made aware of their hard work and dedication.

What will your center do in 2019 to celebrate and honor yourselves, co-workers, management and employees? Check out ideas from past years and start planning for 2019 now!
<https://www.npstw.org/>

Tell Us What's Great About Your Team and You Could Win a Free Lunch

This year for National Public Safety Telecommunicators Week (April 14-20), APCO wants to know what is great about your work team – whether it's your shift, your agency or another team you work with regularly. [Submit your entry now on npstw.org](#) and you'll be entered into a contest to win a free lunch for the team.

Visitors to the site will be asked to "like" their favorite posts and the story with the most likes at the end of the week will win lunch (up to \$100) for their team.

Get a step up when you upload a photo, earning +1 like from us. Complete rules are available at [npstw.org](https://www.npstw.org). [Enter now.](#)

APCO Historical Committee

Can History Be Exciting?

In most of our casual conversation, a reoccurring phrase can be heard, “remember when....”. Generally, this phrase is followed by a story, a recollection of an event, a time and place of significance at the moment. Often when an object brings back a memory there can be a remembrance of “the good old days” which we remember fondly but do not want to live through again. Our society likes to remember and this can be affirmed by the numerous museums we have throughout the country. Just visit Washington D.C. and you can easily fill a week with a variety of museum visits. Museums of American history filled with physical objects and printed articles marking places in time and events to remember.

APCO has an exciting piece of information to share with all. The Virtual Museum which has been inactive for some time due to staff constraints since 2017, will now be able to accept submissions. This is exciting for all APCO membership. Each chapter within the APCO organization should have a Chapter Historian. The Chapter historian is tasked with keeping record of the organizational meetings, the charter issued by the organization, records of conferences hosted and memorabilia of special occasions including photographs of the event. But what to do with it all can be the big question.

The solution to this question is part of the exciting news of the ability to now submit items to the Virtual Museum. Soon you will see more information forthcoming regarding how to submit to the Virtual Museum and how to search within the Virtual Museum. The submission form will be refreshed and pushed out for all to use.

APCO is committed to preserving history and by reopening the Virtual Museum and by supporting the APCO Archive located at Bradley. With this commitment we can reflect on past developments and events, consider how they have shaped the future, and look forward to the continuation of documentation of important information for the APCO organization. So look around and let’s see what we can add to our collection for all to enjoy.

2019 Georgia Public Safety Communication Conference

Award
Nominations
Open!

Georgia Emergency Communications Conference

March 4 – 7, 2019

Columbus Convention Center – Columbus, Georgia

APCO 2019 National Conference

T-Shirt Design Contest

Calling all creators, the APCO conference T-shirt design contest is now open!

APCO is asking you to design our next conference shirt.

Here's what you'll need to do:

Create an original design that incorporates the essence of Baltimore, APCO International and emergency communications. Designs will be voted on and the winner's artwork will be printed on the back of the next APCO conference shirt in Baltimore. The color of the conference shirt this year is charcoal (dark grey). Learn more at <https://www.apco2019.org/about/t-shirt-design-contest/>

Deadline for submission is midnight (ET) April 25, 2019

2019 APCO National Conference

APCO 2019 is about education, networking, exhibits, involvement and fun and we think you should be part of it. While we know there are hundreds of issues that affect our industry every day, here are some popular sessions to get you inspired:

- Igniting Efficiency by Putting People First
- Workplace Bullying
- The Telecommunicator's Role in Managing Emergency Incidents and Events
- Social Media in the PSAP
- The Future of Emergency Communications: Interoperability and the Path to NG9-1-1
- Steps to Improving Cybersecurity at Your Agency
- How to Maximize Radio Reliability and Drive Down Costs with Good Remote Monitoring
- How to Cope with Reactions to Traumatic Events
- Imagining the Whole New World of Public Safety Apps

2019 Atlantic Chapter APCO Conference

The Date Has Been Set!!!

APCO Atlantic Chapter Conference

Leading forward, into a bright future

The APCO-Atlantic Chapter is pleased to announce our
2019 Chapter Conference is being held ...

WHEN

November 11th through November 13th

2019 APCO Atlantic Chapter Conference – Call for Papers **Open till June 30, 2019**

APCO members, trainers, industry associates, business professionals and educators are invited to submit a written presentation for development of an educational program, workshop or panel discussion at the 2019 APCO Atlantic Chapter Conference and Exposition Nov 11-13, 2019. Presentation proposals should be of interest to public safety communications professionals and should not be product or brand specific. This is an educational and networking event for public safety communications professionals and technicians who support their work to explore the most critical issues affecting the 9-1-1 industry.

Presenter's Fact Sheet(s) may be found and submitted at:

- On line http://apco-atlantic.org/Call_For_Papers
- Email rboettcher@dddids.com

From the Member and Chapter Services Committee

Dear APCO Officers and Members,

The Member and Chapter Services Committee (MCSC) supports the membership at the chapter level by building relationships with chapter leaders. Each MCSC member is assigned to represent Chapters and throughout the year they maintain information flow with the chapter leaders. We are here to keep APCO members informed of association policies, governance guidelines, and other APCO programs. Just as important, we push issues from the local level to the APCO leadership level. We work for the people and strive to make sure you receive all that you can from your APCO membership.

MCSC members work diligently to get program questions or information out to the local chapters, gather the needed feedback, and get answers back to the APCO organization. We share information about programs, training, and initiatives supported by APCO International as well as upcoming events through the monthly MCSC e-Newsletter.

MCSC works to build relationships among chapter leaders through training classes and webinars hosted during the year. We also assist the APCO organization staff to provide chapter leader training and workshops at the annual conference. But, we need your help to make these things happen. You can assist us by:

- Keeping your Chapter officer list up-to-date with APCO headquarters.
- Submitting information about upcoming events or programs in your Chapter for the e-Newsletter.
- Keeping the contact information of your MCSC representative handy so if you have questions or need anything you can call on us to help.
- Participating in chapter officer calls, webinars, and training so that you are up-to-date with the current information.
- Letting your MCSC representative know who to contact in order to get information about your chapter if the President of your Chapter is not the primary contact person.
- Looking for the monthly e-Newsletter and providing us with feedback through your chapter.

We are very fortunate to have members on the MCSC who support APCO and are willing to volunteer their time to make sure that APCO can meet its vision to strengthen our communities by empowering and educating public safety communications professionals. As a committee, we look forward to continuing to work with you!

Sincerely,

Member and Chapter Services Committee
