FOR IMMEDIATE RELEASE

The Executive Committee of the Ohio Chapter of the Association of Public Safety Communications Officials (Ohio APCO), under the leadership of Ohio APCO President Lydia Frey, is proud to announce our official endorsement of Mr. Jason Kern for the position of Second Vice President of APCO International.

Mr. Kern has the experience, drive and skills necessary to lead our great association into the future. Jason has worked tirelessly on issues critical to our industry and advocated for public safety communications and telecommunicators during his more than 22 years as an APCO member. He is a two time past president and six year executive council representative for the Illinois Chapter and is currently serving our North Central Region as one of two APCO Board of Director representatives.

A copy of Jason's biography is available on the APCO International website at <https://apconetforum.org/eweb/DynamicPage.aspx?webcode=1920Cand2VPJK>

We believe Jason Kern has the requisite leadership skills, professional knowledge and dedication needed to be an outstanding leader of our association.

Electronic voting is now open for all eligible membership categories at <https://www.apcointl.org/about-apco/vote/>

For inquiries about this endorsement, please contact Ohio APCO President Lydia Frey.
