FOR IMMEDIATE RELEASE

The Executive Committee of the Ohio Chapter of the Association of Public Safety Communications Officials (Ohio APCO), under the leadership of Ohio APCO President Lydia Frey, is proud to announce our official endorsement of Ms. Angela Bowen for the position of Second Vice President of APCO International.

The Executive Committee of Ohio APCO believes Ms. Bowen has the experience, drive and skills necessary to lead our great association into the future. Angela has worked tirelessly on issues critical to our industry and advocated for public safety communications and telecommunicators during her more than 25 years as an APCO member. She has served in several leadership positions for the Georgia Chapter of APCO. In addition, she has served on APCO Executive Council as well as representing the Gulf Coast on the APCO International Board of Directors. Her excellent leadership skills, professional knowledge and dedication make her the right choice to lead our association.

A copy of Angela's biography is available on the APCO International website at:
